

FineLine Technologies is pleased to announce that we have acquired RER International. As part of FineLine Technologies, customers will experience expanded production and service capabilities.

About FineLine Technologies

FineLine, founded in 1998 as a service bureau provider, is headquartered in Atlanta, GA with global production facilities in the North America, Europe and China. FineLine Technologies offers retailers and the vendor network quick turnaround on their hang tags, labels and tickets. Over the last 20 years we've added capabilities including RFID, RFID compliance labelling and secure credentials.

FineLine provides barcode labelling and RFID to over 200 US based retailers including **Nordstrom, Macy's, Hudson Bay, Lord & Taylor, Saks, Target, ROSS, Stein Mart, Tuesday Morning, Dollar General, Beall's Outlet Stores, Burlington, American Eagle, Urban Outfitters** and many more.

What to Expect

Effective Monday, August 14, 2017, new orders will be produced and shipped out of FineLine's production facility in Atlanta, GA.

You can still place your orders by emailing Lina Radonjic at orders@rerinternational.com, or calling 718-793-3900 (Main) / 718-793-3919 (Fax).

To learn more about FineLine, visit us at www.finelinetech.com or email us at support@finelinetech.com.

We appreciate your business and look forward to continuing to provide you with great service!

Sincerely,

A handwritten signature in black ink, appearing to read "George K. Hoffman".
